READ BEFORE USING YOUR PLAYSTATION®2 COMPUTER ENTERTAINMENT SYSTEM.

A very small percentage of individuals may experience epileptic seizures or blackouts when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or when playing video games may trigger epileptic seizures or blackouts in these individuals. These conditions may trigger previously undetected epileptic symptoms or seizures in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition or has had seizures of any kind, consult your physician before playing. IMMEDIATELY DISCONTINUE use and consult your physician before resuming gameplay if you or your child experience any of the following health problems or symptoms:

- dizziness
- altered vision
- eye or muscle twitches
- loss of awareness
- disorientation
- seizures
- any involuntary movement or convulsion

RESUME GAMEPLAY ONLY ON APPROVAL OF YOUR PHYSICIAN.

Use and handling of video games to reduce the likelihood of a seizure

- Use in a well-lit area and keep as far away as possible from the television screen.
 - Avoid large screen televisions. Use the smallest television screen available.
 - Avoid prolonged use of the PlayStation®2 system. Take a 15-minute break during each hour of play.
 - Avoid playing when you are tired or need sleep.
-

Stop using the system immediately if you experience any of the following symptoms: lightheadedness, nausea, or a sensation similar to motion sickness; discomfort or pain in the eyes, ears, hands, arms, or any other part of the body. If the condition persists, consult a doctor.

WARNING TO OWNERS OF PROJECTION TELEVISIONS:

Do not connect your PlayStation®2 system to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

DUALSHOCK®2 ANALOG CONTROLLER CONFIGURATIONS

Welcome to Barbie® Horse Adventures: Riding Camp™!

Welcome to summer! It's time to embark on an amazing summer adventure at the Roberts Stables. While learning to groom, feed, and care for your horse, you'll take on riding lessons across five different riding types, and earn medals and ribbons for outstanding performances.

In this quest-based game, you can explore a vast island, undertake time trials and join in fun tasks like gathering blueberries for a slumber party at the bunkhouse.

Get ready to train, ride and jump with up to 5 different horse breeds, each with different characteristics and abilities, and to help the local islanders with their chores in order to earn camp credits and unlock stylish new riding outfits.

Starting a New Game

Let's get to camp! The first time you play the game, select New Game from the main menu and select an icon to save your profile. Every time you complete a task, change your outfit, or change your horses tack, the game will save.

Loading a Saved Game

When you'd like to play again, just select Load Game and then select your profile icon. The game will start at the last adventure or riding challenge you completed.

Make sure you don't select New Game, and the icon, or you might write over your existing profile!

Getting Started & Game Controls

The adventure begins in the Robert's Stables, where Jenna Roberts and her nephew Kyle are ready to help you settle in.

Moving Barbie®

Move towards Jenna and press the Action button to start off on your first adventure. When you're talking to people, you can press **X** keep up with the text, or press **△** to skip it.

You can also use the Action button to interact with objects all over the island! You can use it to pick up hay, enter the bunkhouse, or to help Gordo the stable kitten down out of his tree. You can also interact with anything that sparkles!

Jenna and Kyle will teach you all about caring for your horse, and the basics of horse riding.

Riding and Horse Care

Once you've selected your horse, approach it from the side and press  to mount up

Your horse has four needs – he needs to eat, drink, be groomed, and have his hooves scraped. You can take care of his needs at the Care Stations in the Roberts Stables, at the Racetrack and in the Old Riding House. If you don't take care of your horse he'll run more slowly. Remember, a healthy horse is a happy horse.

Shopping

As you play the game, you'll earn camp credits for taking part in riding lessons and helping out with stable chores. You can also earn credits by collecting Apples, Horseshoes and Gems around the island.

Once you have some camp credits, visit the Bunkhouse or the Tack Shop to customize Barbie® or your horse. There are lots of clothes and accessories to choose from!

Cell Phone

The cell phone has lots of cool features! You can use it to:

- Get hints and tips from Jenna, Kyle and Teresa – just check your messages!
- Get a ride back to the stables! Select the phone icon, and Kyle will give you a ride.
- See where you are – select the map! As well as landmarks, the map includes gold stars to show where adventures can be found, orange dots for useful items, and blue dots for horse care stations.

You can't use your cell phone while you're in the stables caring for the horses, or while you're swimming.

The Island of Equestria

Once you've learned how to take care of your horse, you're free to explore the island of Equestria.
